REPORT AND RECOMMENDATION

For the reasons stated on the record during the in-court hearing held on October 16, 2006, I recommend that the Court APPROVE the replacement supersedeas bond provided by Three S Delaware, Inc. f/k/a Steele Software Systems (“Three S”) on November 9, 2006. Pursuant to Federal Rule of Civil Procedure 62(d), I further recommend that the Court stay all actions to enforce DataQuick Information Systems, Inc.’s January 17, 2006 judgment against Three S pending the outcome of Three S’s appeal to the United States Court of Appeals for the Fourth Circuit.

This Report and Recommendation is subject to Local Rule 301.5(b).
